As part of the 5th Annual International Cybersecurity Conference and cyber week events you are invited to compete in the

THE CYBER CHALLENGE

The ultimate technology test in the cyber arena
Wednesday, June 24 2015, 10:00-16:00, Tel Aviv University

The Cyber Challenge will be held in cooperation with Ofek - Israeli air force software unit and will be sponsored by IAI (Israel Aerospace Industries)

OFEK - Israeli Air Force Software Unit

IAI
ISRAEL AEROSPACE INDUSTRIES

Get into a hacker's mind set, recognize the targets and capture the flags! Groups of three players will compete in this challenging cyber arena.

1ST STAGE

Register as individuals at:
http://www.cyberchallenge2015.com

2ND STAGE

To compete, you will be required to pass the first screening stage which requires knowledge in the areas of offensive cyber war strategy, spy tools and cyber weapons. Registered participants will be sent the link to the second phase.

3RD STAGE

The Main Cyber Challenge - "Capture the Flag" – at Tel Aviv University.
Ranking will be determined based on the highest score achieved, the amount of flags captured and the least time it take to achieve them. The winning group will be announced as the ultimate cyber champions and win great prizes.
